## Summary

Seeking an Entry-Level position to utilise my skills and abilities in the Information Technology industry that offers professional growth while being resourceful, innovative, and flexible toward the betterment of the organisation.

## Education

<b>ISTS Women's Engineering College</b>	<b>2018-2022</b>
ECE	B.Tech
7.52 CGPA	

<b>Narayana Junior College</b>	<b>2016-2018</b>
MPC	Intermediate
96%	

<b>Sri Harshavardhana Public School</b>	<b>2015-2016</b>
Maths	SSC
92%	

## Academic Projects

### Home Automation

Home Automation using IOT

Developed a home automation system using IoT technology and the Blynk mobile app, enabling users to remotely control household lights through their smartphones. The project involved integrating sensors and microcontrollers to create a user-friendly interface that allowed real-time switching of lights.

## Skill Building Projects

### KalpaVriksh

Online Static Plant Store

<https://kalpavriksh.netlify.app/>

Built a static website using HTML, CSS and Javascript to sell plants online where people can login, view and shop for the variety of plants available in the store. This project helped me improve my skills in web design and front-end development.

## Portfolio

Personal Portfolio Website

<https://vijayaevuri.netlify.app/>

Developed a personal portfolio website using HTML and CSS to showcase my projects and skills. Designed a clean and simple layout for easy navigation, featuring sections for my work, resume, and contact information.
